Analysis

Under Reg. 10 (Domestic supplies)	£25	£25	Where a supply provides <10m ³ / day or <50 people and is used for domestic purposes
Check Monitoring (Commercial Supplies)	£100	Supply specific but average approximately £52	Each supply assessed individually
Commercial supplies, Audit monitoring	£500	Supply specific Note: SCDC will use data from the EA, AW and previous sampling to reduce sample parameters and therefore costs wherever possible.	Additional parameters sampled less often to ensure water complies with all safety standards and sampled where possible with Check monitoring to reduce costs
